of South Carolina)	

This matter comes before the Public Service Commission of South Carolina (Commission) on the request of Symtelco, LLC (Symtelco or the Company) to cancel the Company's Certificate of Public Convenience and Necessity to provide telecommunications services in South Carolina. A review of the Commission's records reveals that the Commission granted Symtelco authority to provide local, interexchange, operator, collect-only inmate, and payphone telecommunications services in the State of South Carolina by Order No. 2005-124, dated March 16, 2005.

By letter filed January 28, 2008, Symtelco seeks cancellation of the Company's Certificate. According to Symtelco, the Company is no longer in business and has not provided telecommunications services in South Carolina since October, 2006.

As Symtelco is no longer providing the services for which the Company's Certificate of Public Convenience and Necessity was granted, the Commission finds and

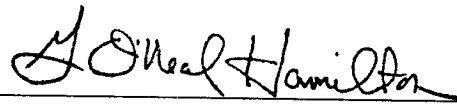

concludes that Symtelco's Certificate of Public Convenience and Necessity to provide telecommunications services should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide telecommunications services within the state of South Carolina authorized by Order No. 2005-124, dated March 16, 2005, issued to Symtelco, LLC is hereby cancelled.

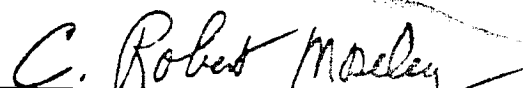

2. Symtelco, LLC, if applicable, remains responsible for any assessments due during any year that the Company has operated in South Carolina.

3. This Order shall remain in full force and effect until further Order of the Commission.
